

Part No.

QTHA-2FBA

1/4" female NPT x female Quick-test, no check-valve, brass

Connect to a pressure gauge or other device with Male NPT connections to a Ralston hand pump or nitrogen calibration device

Features

- Install with thread tape once onto any male NPT pressure gauge then use the Quick-test connection to quickly connect or disconnect from any Ralston hand pump, nitrogen calibration device or other Quick-test adapter
- Saves the threads on a pressure gauge by not needing to make and remake the connection with thread sealant
- Made in USA

QTHA-2FBA
